

Better Care. Better Health. Is Here.

Welcome to CareATC!

If you want less wait time and more face time with your medical provider, you can get it at our new CareATC Wellness Center. From annual checkups to an unexpected illness, the CareATC Wellness Center is here when you need it, at little or no cost to you.

Free to low-cost, confidential and quality care. For all GE Appliances employees whose work location is based in Kentucky. Visit www.careatc.com/appliancepark for more information.

Activate Your Account

Activate your patient account today by scanning the QR code below and downloading the CareATC app. Follow the "New here?" prompts.

Under HIPAA regulations, all patient information is confidential.

Fri 8 am - 3 pm

After hours care:
24/7/365 Telemedicine

Additional services to help keep you healthy and save you money

- **24/7/365 Telemedicine**
You can see a provider wherever you are, on holidays, and even late at night.
- **Onsite Pharmacy**
Get generic refills filled onsite or mailed to your home.
- **Registered Dietitian**
Receive nutrition coaching from an expert.
- **Patient Advocate**
A licensed clinical social worker will connect you with resources to succeed in your health and wellness journey.
- **Virtual Physical Therapy**
Heal and strengthen your body for non-work related injuries.

These expanded offerings are in addition to behavioral health visits, lab draws, x-rays, and allergy shots.

Services	HRA Fee	HSA Fee	Non-Health Plan Fee
Preventive Visits	\$0	\$0	\$0
Provider Visits	\$0	\$45*	\$45
X-Ray (From outside provider)	\$0	\$10	\$10
Labs (From outside provider)	\$0	\$10	\$10

*Employees on the HSA Health Plan will have a \$45 fee until your out-of-pocket deductible is met. Once out-of-pocket deductible is met, there will be \$0 fee for provider visits.

Three easy ways to schedule an appointment:
